

The Mission of St. Francis Builds is to grow in faith, strengthen personal relationships and laity involvement within the home parish, promote leadership development, and to engage culturally with underserved communities in the United States and in other countries. We do this by emptying ourselves through service to others, as Saint Francis did, and by building homes, schools, and neighborhoods, side by side with the people in those communities.

St Francis Builds Team Application

Name: _____ Gender: _____
Date of Birth: _____ T Shirt Size: _____
Email Address: _____ Cell Phone: _____
Mailing Address: _____
Dietary Restrictions: _____

Please describe why you are interested in being on this Mission Team:

Prior Experience on similar Build/Mission trips:

Describe your construction experience and skill level (no experience needed!):

Describe any additional gifts you feel that you will bring to the Mission Team (for example foreign language ability, organizing, spiritual, music/singing, etc.).

How comfortable do you feel living in somewhat primitive circumstances (sleeping in bunks, sharing bathrooms, simple meals) with a group of 20 other team members during the duration of the trip?

What strategies do you use to manage stress?

Do you have any current health concerns and/or allergies?

If you are counting on participating in this Mission Team with someone else, please tell us who – and if you are under 18, please note that the Archdiocese requires that you travel with a parent or guardian.

Please share anything else about yourself that helps us to know your interest or questions!
